

IDCardCo. / Size check

Paper: A4 | Print at 100% / Actual size. Disable Fit or Shrink.

Website calibration resource. This file is separate from the native card samples.

Use plain paper first. Measure the rectangle and ruler after printing.

85.60 x 53.98 mm

Measure the outside rectangle.

Do not resize to match your screen.

Ruler: 100 mm end to end

If dimensions differ, check paper size and scaling in both the viewer and driver.

This sheet checks size only. Use the native sample fronts and backs to test duplex.

Printer: _____ Driver / settings: _____

Measured width: _____ Measured height: _____

Physical printer accuracy has not been certified by IDCardCo.
